SPRING 2011 VOL. 1 ISSUE 1

MOEN FAUCET ADDITIONS FOR KITCHEN AND BATH

The Eva collection offers an elegant, transitional design that gives today's home timeless appeal. With tapered, sophisticated lines, Eva delivers a look that will never go out of style. Available in classic stainless, chrome, and oiled rubbed bronze.

The Arbor kitchen faucet delivers streamlined and timeless transitional styling. Available in classic stainless, chrome, and oiled rubbed bronze.

INTRODUCING NEW POWDER ROOM VANITIES and MIRRORS!

We are very excited to offer two new vanities and mirrors for our powder rooms. The Brittany vanity and mirror (left) possesses both warmth and sophistication. The Euro-style vanity in an alluring walnut stain comes with a china sink and antique brass knobs. The Palermo collection (right) comes in a dark espresso finish that blends with a variety of décor. Simple yet elegant, the Palermo and Brittany vanities and mirrors will make a beautiful addition to any powder room.

LEDGESTONE NOW AVAILABLE

.

Ledgestone is now available as an upgrade option with Signature Stone and Environmental Stoneworks. We offer several different color blends to coordinate our exterior color packages.

Min Wax stains are now being offered for all stair finishes. These replace the custom formulas used in the past that were only available through Sherwin Williams stores to buyers after settlement. By transitioning to Min Wax homebuyers can now purchase them at any store that carries Min Wax. We offer nine stains to compliment our hardwood offering.

The new 60” x36”x 76” gelcoated fiberglass Aker tub/shower 1-piece unit with two large top corner shelves, wide soap dish, is the newest addition to our bathroom options.

Solid Surface Top Mount and Under Mount Sinks for Laminate Countertops

Karran USA, the exclusive national importer and nationwide distributor of Karran acrylic solid surface sinks. They import containers of sinks directly from their factories in South Africa, Europe and the Far East, and warehouse them in our 50,000 square foot distribution center, centrally located in southern Indiana. They distribute their sinks throughout the United States and Canada through their network of stocking master distributors, kitchen & bath dealers and countertop fabricators. Karran’s Acrylic line of solid surface sinks showed the world an alternative way to make a solid surface sink. They pioneered the direct bonding of solid surface sinks seamlessly under laminate. With two colors, white and bisque available and nine choices buyers are sure to find our sinks options appealing.

NEW!!!!!

NEW STANDARD SOAKING TUB FAUCET!
The Chateau acrylic knob soaking tub faucet has been replaced! The new updated, fashionable chrome handled faucet is now included in all our homes with soaking tubs.

OLD.

VitrA

Bathroom Culture

Again, buyers spoke and we listened!
The Vitra Corina Model 5068 is a comfort height toilet with a seat height of 15 3/8" from floor and features a round bowl and V3 flushing technology with Vortex, Vacuum, and Velocity!

8 lb padding is now available, replacing the 8lb with Stainmaster and moisture barrier. To keep upgraded pricing down, we listened to buyers and we took action. The 8lb padding is now our Style 3 upgrade option and more affordable to our buyers.
